

# The 4th International Conference PALAEO LIMNOLOGY OF NORTHERN EURASIA and Young Scientists Meeting

07-13 September 2020  
Irkutsk & Lake Baikal

## "60+ Years of Russian Palaolimnological Studies"

Dear Colleagues!

The "Palaolimnology of Northern Eurasia" International Conference is the 4th conference regularly held every two years. It addresses a very important scientific challenge of reconstruction of paleogeographic and paleoclimatic conditions in Northern Eurasia based on interdisciplinary analyses of sediment cores collected from lakes of different types.

### Purposes of the conference:

- Meeting colleagues from various Russian and foreign scientific centers to exchange knowledge and experiences of the last decades in the field of paleolimnology;
- Conducting workshops for young scientists, postgraduates and students;
- Determination of the future perspectives and the development of plans for joint future research.

### The main topics:

- Palaolimnology & Palaeoclimate;
- Palaolimnology & Palaeoecology;
- Palaolimnology & Palaeoenvironment;
- Palaolimnology & Palaeohydrology;
- Palaolimnology & Geoarcheology;
- Palaolimnology & Sedimentology;
- Palaolimnology & Chronology;
- Palaolimnology & Natural Disasters;
- Palaolimnology & Glaciology;
- Palaolimnology & Geomorphology.

Address of Organising Committee:

Limnological Institute SB RAS, 3, Ulan-Batorskaya St., Irkutsk

Tel.: +7 (3952) 426-504

Fax: +7 (3952) 425-405

Website: <http://lin.irk.ru/paleo2020>

E-mail: [paleo2020@mail.ru](mailto:paleo2020@mail.ru)

(for registration and correspondence)

The school of young scientists on field and laboratory palaolimnological methods is planned.

The official languages of the Conference are English and Russian

During the school of young scientists, one-day fieldwork onboard RV «G.Yu. Vereshchagin» will be planned on Lake Baikal

The organizing Committee reserves the right to reject applications that are not relevant to the topic of the conference or not in compliance with the requirements.

### Registration fee:

- Direct participation - 80 €
- Absentee participation with abstract publication or accompanying person - 50 €
- Students and graduate students - 50 €

## Important dates:

1st April 2020	Deadline for registration
1st May 2020	Deadline for abstract submission
1st June 2020	Deadline for confirmation of your participation in the Conference
	Deadline for hotel booking
	Deadline for fee payment
1st August 2020	Distribution of the Conference program

Materials of the Conference are planned to be published in special issues of:

Limnology and  
Freshwater Biology

Quaternary  
International

Journal of  
Paleolimnology

## Scientific committee:

### Chairman:

- Dmitry Subetto (Herzen State Pedagogical University of Russia, Department of Geography, Saint-Petersburg, Russia)

### Co-chairman:

- Andrey Fedotov (Limnological Institute, Siberian Branch of Russian Academy of Sciences, Irkutsk, Russia)

### Members:

- Elena Bezrukova (Institute of Geochemistry, Siberian Branch of Russian Academy of Sciences, Irkutsk, Russia)
- Natalya Belkina (Northern Water Problems Institute, Karelian Research Centre of Russian Academy of Sciences, Petrozavodsk, Russia)
- Boris Biskaborn (Alfred Wegener Institute – Helmholtz Centre for Polar and Marine Research, Potsdam, Germany)
- Kirill Chistyakov (Saint-Petersburg State University, Institute of Earth Sciences, Saint-Petersburg, Russia)
- Bernhard Diekmann (Alfred Wegener Institute – Helmholtz Centre for Polar and Marine Research, Potsdam, Germany)
- Nadezhda Ermolaeva (Institute for Water and Environmental Problems, Siberian Branch of RAS, Barnaul, Russia)
- Grigory Fedorov (Saint-Petersburg State University, Institute of Earth Sciences, Saint-Petersburg, Russia)
- Larisa Frolova (Kazan (Volga region) Federal University, Kazan, Russia)
- Ulrike Herzs Schuh (Alfred Wegener Institute – Helmholtz Centre for Polar and Marine Research, Potsdam, Germany)
- Tiit Hang (Tartu University, Tartu, Estonia)
- Piotr Kittel (University of Lodz, Faculty of Geographical Sciences, Department of Geomorphology and Palaeogeography, Lodz, Poland)
- Vladislav Kuznetsov (Saint-Petersburg State University, Institute of Earth Sciences, Saint-Petersburg, Russia)
- Martinn Melles (Cologne University, Cologne, Germany)
- Larisa Nazarova (Potsdam University, Potsdam, Germany)
- Danis Nurgaliev (Kazan (Volga region) Federal University, Kazan, Russia)
- Andrey Panin (Institute of Geography, Russian Academy of Sciences, Moscow, Russia)
- Lyudmila Pestryakova (North-East Federal University, Yakutsk, Russia)
- Nadezhda Razzhigaeva (Pacific Institute of Geography FEB RAS, Vladivostok, Russia)
- Tatyana Sapelko (Institute of Limnology, Saint-Petersburg, Russia)
- Larisa Savelieva (Saint-Petersburg State University, Institute of Earth Sciences, Saint-Petersburg, Russia)
- Olga Solomina (Institute of Geography, Russian Academy of Sciences, Moscow, Russia)
- Vera Strakhovenko (V.S. Sobolev Institute of Geology and Mineralogy, Siberian Branch of the Russian Academy of Sciences, Novosibirsk, Russia)
- Boris Vlasov (Belarusian State University, Minsk, Republic of Belarus)
